

Task 4: Holiday Brochure

Make a mini holiday brochure about your island to persuade people to visit.

Sub-headings should include

- a description of your island
- the climate
- a bit about the history
- information about places for tourists to visit - write about at least two special places or landmarks eg. is there an ancient monument, an amazing theme park or a magnificent art gallery etc?
- Beaches
- Any special geographical features eg. mountains, waterfalls, volcanoes

Include some drawings to make your brochure attractive. You could look at some real holiday brochures for inspiration or to cut out pictures.
