Collecting pupil information

Pupil data is essential for the schools' operational use. Whilst the majority of pupil information you provide to us is mandatory, some of it requested on a voluntary basis. In order to comply with the data protection legislation, we will inform you at the point of collection, whether you are required to provide certain pupil information to us or if you have a choice in this and we will tell you what you need to do if you do not want to share this information with us.

Storing pupil information

The school keeps information about you on computer systems and also on paper. We hold your education records securely until you change school. Your records will then be transferred to your new school, where they will be retained until you reach the age of 25, after which they are safely destroyed.

There are strict controls on who can see your information. We will not share your data if you have advised us that you do not want it shared unless it is the only way we can make sure you stay safe and healthy or we are legally required to do so.
