20th September: Week 3

Please pay lunches on School Money -

Swimming

Monday 20th September: Years 4&6

Tuesday 21st September : Year 2

Statement of Belief

I try to stand up for myself and others without hurting others.

Message from Mrs Hall

All of the children seem to have settled into school life and are enjoying the new term.

Could I please ask you to make sure all of your child's clothing is labelled as we already have a lot of lost property which we cannot return!

E-Safety

On Tuesday 21st September we are having an e-safety day. The two Johns are well known and experienced in e-safety issues. They will be holding a session for parents on zoom at 8pm-9.30pm. I would really encourage parents to zoom in regardless of your child's age. You will be amazed at what you will learn about what is out there freely available but inappropriate for children. We will send the Zoom invitation nearer the time but please put the date in your diary.

Year 6 Secondary School Applications

Parents can now apply for Secondary School places, this can be done on Essex County Council website, the closing date is 31st October. Year 6 have been given a SWCHS brochure today.

PSA

We are having a changing of the PSA guard! Fran Dorren has led our PSA for 5 years and has done an amazing job. Rebecca Di Lieto and Jo Pittock have kindly said they will take on the mantle of PSA chairs. However we would like a few other parents to step forward to help them. If you are willing to be a PSA member – please let the school office know by email. We can then pass on your details to Rebecca or Jo or you can of course contact them directly. Thank you for your support.

There will be a second hand uniform sale next Friday 24th September after school. This will be held at the front of the school.

Levy and Curriculum Top up

Thank you to everyone who has already paid the Autumn Levy (termly) and the Curriculum Top Up (annually) on School Money. As a reminder – the Autumn Levy is a fund which is used to maintain and improve our building and grounds. (You may have noticed the new fencing around the adventure equipment in the playground). The Curriculum Top Up is used to provide the 'extra' aspects of the curriculum which make STM the school it is – our cooking, our eco education (garden), our music – without the Curriculum Top Up we would not be able to afford such extras as funding is not provided for these activities by DFE.

****Please be reminded - we are a NUT FREE school****

Prayer of the Week

O'Lord

Your Word tells us to be kind and compassionate to one another, forgiving each other, just as You
When we show an act of kindness, it doesn't just make others feel good, it makes us feel good too.
Help us to smile more, use kind words, be selfless in all we do and to look out for others.
Help us to forgive those who are not kind because sometimes it's not their fault.
Thankyou Jesus that you show us the way – to be kind and helpful every day.

Amen

By Year 5 - Talia, Freya, Patrick and Sebastian
