Flu Immunisations Postponed

As mentioned last week the flu immunisations have been postponed. We have not yet been given a new date but we will let all parents know as soon as this is confirmed. **The consent forms have not been sent yet, these will be e-mailed out once we have another date in place.**

Bags 2 School Clothing Collection

On Wednesday 13th October we will be holding a textile recycling collection. You can bring into school any old clothes, shoes bags etc and Bag 2 School will collect them and pay the school per kilo of textiles collected. We normally raise £100 - £200 doing this so its a great way to help the school whilst having a bit of a clear out! Please bring your bags (black bin bags are fine) to school before 9am and leave them in the car park space nearest the fence - Mr Allison will be available to show you where if you are not sure.

The following link shows what can and cannot be donated:

Prayer of the Week

Dear Heavenly Father

Thank you that you are always here to listen to us,
Please help us to remember to share things with you through prayer.

Thank you that we are unique and made by you Lord,
Please help us to show respect to one another.

Thank you that we have a school and for all the people in our school community,
Please help us to reach our full potential and help us to make our school an even better place.

Thank you for all the adults in school who work hard to help us,
Please help us to do our best.

Thank you for all the food that we have,
Please help us to think about people who are not as fortunate as we are.

Amen.

By Year 4.
