School Fete

Thank you so much for your kind donations for our fete. Your generosity is very much appreciated.

Year 1 News

Year 1 have keen interest in the natural world and have been learning about the terrible impacts of climate change on our planet and the dangers of plastic to our oceans and their inhabitants. They have been buoyed by thinking about what they can do to help and they certainly have some wonderful ideas!

So, they were absolutely delighted this week, when they received a handwritten letter from Sir David Attenborough encouraging them to continue to enjoy the natural world around them and motivating them to look after it. This letter has certainly inspired them to do so!
