Pupil Attendance Policy

1. INTRODUCTION AND BACKGROUND

St Thomas More Catholic Primary School recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding;
- ensure every pupil has access to the full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors, teachers, local Headteacher Associations, the Local Authority and parents and carers. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued;
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances, and it is the headteacher/principal, not the parent, who can authorise the absence.**

2. PROMOTING REGULAR ATTENDANCE

At St Thomas More Catholic Primary School, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

The name and contact details of the Senior Attendance Champion – the senior leader responsible for the strategic approach to attendance in our school, is:

Mrs A. Stockdale

The governor with responsibility for monitoring attendance is Luisa Bonomo-Jackson.

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;

- Contact parents/carers should their child's attendance fall below the school's target for attendance.

3. UNDERSTANDING TYPES OF ABSENCE

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;

absences which have never been properly explained;

children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session;

shopping trips;

looking after other children or children accompanying siblings or parents to medical appointments;

their own or family birthdays;

holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;

day trips;

other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

4. ABSENCE PROCEDURES

The name and contact details of the school staff member pupils and parents should contact about attendance on a day-to-day basis is:

Daniela Barns
admin@stmsw.co.uk

We **monitor** and review all pupils' absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

- a) Contact the school on the first day of absence before 9.00 am by phone. If it is not possible to get through to anyone, or leave a message, an email may be sent. Any messages left may be responded to over the phone or in person by a member of office staff. A clear reason for absence must be left explaining the details of the illness/absence.
- b) The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail/email to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised;
- c) Contact the school on every further day of absence, again before 9.00 am, unless the reason for absence is likely to span over the course of more than one day e.g in instances of vomiting/diarrhea (48 hour rule) or chicken pox etc.
- d) Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS and Essex County Council Guidance on School Absence and Childhood Illness (annex D).

If your child is absent we will:

- a) Telephone you on the first, and every subsequent day of absence, if we have not heard from you or if we require more information about the absence. However, it is your responsibility to contact us;
- b) If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers, send letters home and a home visit may be made, in the interests of safeguarding;
- c) A referral will be made to Local Authority if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate), at which point your child will be considered to be "missing from education."

If absence continues we will:

- a) Write to you if your child's attendance is below 95% and/or where punctuality is a concern (see Appendix M and N);
- b) Arrange a meeting so that you may discuss the situation with our Senior Attendance Champion, Mental Health Champion or SENCO.
- c) Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;

- d) Offer signposting support to other agencies or services, if appropriate;
- e) Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

The times of the start and close of the school day for all pupils at St Thomas More Catholic Primary School are:

- a) Gates open: 8.30am
- b) Registration starts: 8.45am
- c) Registration closes: 9.15am
- d) End of the school day: 3.15pm

How we manage lateness:

- a) The school day starts at **8.30am** when children can begin to come into school;
- b) Registers are taken at **8.45am**;
- c) Children arriving after **8.45am** are required to come into school via the school office accompanied by a parent/carers and provide a reason for their lateness, which is recorded;
- d) At **9.15am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- e) The school may contact parents/carers regarding punctuality concerns;

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with the Headteacher but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

5. UNDERSTANDING BARRIERS TO ATTENDANCE

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities.

High expectations of attendance remain in place for these pupils, however we will work with families and pupils to support improved attendance whilst

being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A, below, for summary tables of responsibilities for school attendance.

Local Authority attendance support services

Local Authority Attendance Specialists work strategically by offering support to schools, to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Annex B for the Essex Code of Conduct) or prosecution in the Magistrates Court.

School Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10 school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

See Annex B for the Essex Code of Conduct.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is “in accordance with the rules prescribed by the school.”

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Essex Code of Conduct, in respect of each parent believed to have allowed the absence.

At St Thomas More Catholic Primary School 'exceptional circumstances' will be interpreted as:

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher). The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends).

The Headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are however advised to read with their children and encourage them to write a diary while they are away.

Deletion from Roll

6. DELETION FROM ROLL

For any pupil leaving St Thomas More Catholic Primary School, other than at the end of year 6, parents/carers are required to complete a 'Pupils moving from school' form which can be obtained from the school office. This provides school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all of our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for the pupil and key family members, in case of emergency.

Under Pupil Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register.

This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

Please note, the school will follow statutory guidance under 'Children Missing in Education' (2013) in cases where children cannot be located or may need to be deleted from roll.

7. ABSENCE DATA

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to the Department for Education on a daily basis Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024. Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.

All pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies.	Have a clear school attendance policy on the school website which all staff, pupils and parents understand.	Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures.	Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services.
Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness).	Develop and maintain a whole school culture that promotes the benefits of good attendance.	Ensure school leaders fulfil expectations and statutory duties.	Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance.
Only request leave of absence in exceptional circumstances and do so in advance.	Accurately complete admission and attendance registers.	Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed.	Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice.
Book any medical appointments around the school day where possible.	Have robust daily processes to follow up absence.	Ensure school staff receive training on attendance.	Offer opportunities for all schools in the area to share effective practice.
	Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on.		
	Have a dedicated senior leader with overall responsibility for championing and improving attendance.		

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support.	Proactively use data to identify pupils at risk of persistent absence. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance and act as lead practitioner if attendance is the only issue and/or the local threshold for formal early help is not met. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. If a case meets the local threshold for formal early help/family support, this includes conducting the early help assessment and acting as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Hold a regular conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, and there are multiple needs consider whether the threshold for early help is met and facilitate access where it is. Regardless, take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner in cases where threshold is met and all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through a referral to statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including attendance contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for persistently absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Support for cohorts of pupils with lower attendance than their peers

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Not applicable.	Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them. Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Maintain the same ambition for attendance and work with pupils and parents to maximise attendance. Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed. Consider additional support from wider services and external partners, making timely referrals. Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families. Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.

Support for pupils with a social worker

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Know who the pupils who have, or who have had, a social worker are. Understand how the welfare, safeguarding, and child protection issues that they are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration for the cohort. Provide additional academic support and make reasonable adjustments to help them, recognising that even when statutory social care intervention has ended, there can be a lasting impact on children's educational outcomes. Work in partnership with the local authority at a strategic and individual level, sharing data on attendance including, at an individual level, informing the pupil's social worker if there are any unexplained absences and if their name is to be deleted from the register.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Ensure that all Children's Social Care practitioners, understand the importance of good attendance for pupil's educational progress, for their welfare and their wider development – and understand their role in improving it. Through the work of Virtual School Heads, they should: - Undertake systemic monitoring and data sharing of the attendance of children with a social worker in their area: developing and implementing targeted cohort level interventions to improve attendance. - Provide advice, challenge and training to schools on how to promote and secure good attendance for children with a social worker. - Develop whole system approaches, with social care, to support the attendance of children in need.

Looked after and previously looked after children

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand the child's barriers to attendance – including the development of Personal Education Plans. Proactively engage with the support offered.	Have high expectations for the cohort – with expert support and leadership provided by the designated teacher for looked-after and previously looked-after pupils. Work in partnership with the local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked-after children that support good attendance. Work directly with parents to develop good home-school links that support good attendance. For previously looked-after pupils this could include discussion on use of the Pupil Premium Plus funding managed by the school.	Designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils. Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.	Promote the educational achievement of looked-after and previously looked-after children – doing everything possible to minimise disruption to education when a pupil enters care. (LA that looks after the child:) Appoint an expert Virtual School Head (VSH) – will: • Monitor, report on, and evaluate the education outcomes of looked after children, including their attendance, as if they attended a single school- whenever they live or are educated. • Ensure schools know when they have a pupil looked after by the authority on their role and that information is shared with the school on issues that may impact on their attendance. • Ensure that all looked-after pupils have high quality, up to date, effective Personal Education Plans developed in partnership with schools, social workers and carers – including, where necessary, clear interventions and use of pupil premium plus funding to support good attendance. • Provide expert advice and information on the education of previously looked-after pupils to schools and parents – including their attendance.

Monitoring

Parents:	Schools:	Academy trustees and governing bodies:	Local authorities:
Schools regularly update parents on their child's attendance. (If parents feel the school and/or local authority have not delivered what they are expected to they should discuss the case with the school and/or local authority's attendance support team.)	The school's Senior Attendance Champion will ensure all school based staff complete their attendance responsibilities in line with the school's policies and procedures. The governing board or academy trust will hold the headteacher or executive leadership to account for their delegated responsibilities and for compliance with regulatory and statutory requirements. They will review progress and provide challenge when required. The board will help school leaders focus improvement efforts on the individual pupils or cohorts who need it most and ensure that school staff receive adequate training on attendance. Ofsted will expect schools to do all they reasonably can to achieve the highest possible attendance as part of the behaviour and attitudes judgement. This includes, where attendance is not consistently at or above what could reasonably be expected, that schools have a strong understanding of the causes of absence (particularly for persistent and severe absence) and a clear strategy in place that takes account of those causes to improve attendance for all pupils. Ultimately, in cases where a school has not met expectations or statutory duties the Secretary of State can consider a complaint.	DfE Regions Group considers multi academy trusts' efforts on attendance as part of decision making. Ofsted considers governing bodies' efforts as part of inspections.	DfE Regions Group monitors local authority efforts as part of regular interaction. Ofsted may consider the local area partnership's approach to improving attendance of children and young people with SEND as part of the SEND Area Inspection, and the local authority's approach to improving attendance for children with a social worker through inspecting local authority children's services. Ultimately, in cases where a local authority has not met expectations or statutory duties the Local Government and Social Care Ombudsman or the Secretary of State can consider a complaint.

Annex C

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools **after 19th August 2024**.

Who may be fined? Penalty Notice Fines are issued to each parent who allows their child to be absent from school. For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.	National Threshold There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed). For example: a 5 day holiday would meet the national threshold. The 10-school week period can span different terms or school years.
First Offence The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be: £80 per parent, per child if paid within 21 days. Increasing to £160 if paid between days 22-28.	Second Offence (within 3 years) The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent (who allowed the holiday), per child, payable within 28 days.
Third Offence and Any Further Offences (within 3 years) The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500. Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

St Thomas More - Supporting our children and young people to engage

Purpose

- Designed to support a whole school approach and ethos, where attendance is;
 - a priority;
 - highly valued; and
 - actively encouraged.
- Designed to form part of a school's processes that promote early identification and early support

Usage

- A supportive measure, used when a pupil is reported absent (school to decide when/who/how to initiate, this could be on 1st and/or 3rd day of absence for example)
- To be used to ask after a pupil's well-being
- To ascertain if there are any concerns that school should be aware of so that any barriers can be explored and mitigated
- Designed as a prompt, these questions will not fit every scenario, but are there to elicit further conversation, schools should add to this list as they wish

Important notes / considerations:

- Schools should be consciously sensitive and encompass the support first model when having these conversations, whilst balancing school's expectations in terms of authorised and unauthorised absence
- The conversation and responses should be recorded

Conversation prompts and questions to consider:

Thank you for notifying school of your child's absence, we are just calling to see how they are

- They were reported absent because....
- What are their symptoms?
- Has parent sought medical advice, or do they intend to, and if so, who (pharmacy, 111, GP etc.)?
- If they have not, should they?
- Is the pupil taking any medication in relation to the illness?
- Do they need to take paracetamol / Calpol regularly?
- Have they suffered with this before?
- Would involvement from the school nursing team be beneficial?
- Do they think they will be off again the next day?
- Is there anything the parent would like the pupils class teacher / form tutor to know?
- Would it be beneficial if the school were able to administer any medication, does the permission form need sending to the parent/s for completion?
- If parent advised they are or have sought medical advice – school can request that parent send any information they have as a result, stating this will ensure an accurate record should the pupil suffer with a similar ailment in future this will help school to support the pupil
- Are pupil's contact details accurate – do they need updating (this is an opportunity to ensure school's pupil details are up to date and accurate

School Attendance

We have noticed that your child has had some absences recorded recently, and we would like to better understand the reasons behind those absences, and whether you or your child require any support from the school to prevent further absence. Please find attached/enclosed a copy of your child's current attendance record.

School attendance is hugely important and regular attendance ensures your child benefits from all the educational opportunities available to them. This is not just crucial for their learning, but also their wellbeing, and wider development. It is equally important that they attend school on time every day.

We would like to offer you an opportunity to talk through any barriers preventing regular attendance, and how we may work together to support Pupil Name to benefit from all of the educational opportunities that St Thomas More has to offer. Please contact us to arrange a mutually convenient time for us to have a discussion, either via the telephone or face to face. In the meantime, please feel free to look at our school's attendance policy, available on the school website under the section titled: XXXX. If you would like a hard copy, these are available via the school office.

We look forward to hearing from you.

Attendance Contract

ATTENDANCE CONTRACT BETWEEN ST THOMAS MORE CATHOLIC PRIMARY SCHOOL, PARENT(S), and CHILD

An attendance contract is a formal written agreement between a parent and the school to address irregular school attendance. An attendance contract is not legally binding and can be ceased by either the school or the parent at any time. It allows a more formal route to secure engagement with support. An attendance contract is not a punitive tool, it is intended to provide support and offer an alternative to prosecution.

What do they think would improve their school experience? Which staff members are they receptive to, or have a good relationship with?

Agreed Actions:

School will determine with the family and open professionals the duration of the attendance contract (between 3 – 6 months or longer if beneficial).

I/We the parent[s] agree to address the following target areas until the next review period for improvement in attendance and/or punctuality and to co-operate fully with these aims.

Actions agreed:

Please write in detail, as this forms part of your evidence of interventions and support for the pupil.

What does the young person/child need to support them? E.g. referrals to other agencies; amendments to timetable/school day/lunchtime arrangements/uniform etc.	Aims/objectives of identified action(s)	Success criteria – how will we know that the contract is making a difference?	Timeframe/start date	People Involved	Review Date:	Review of Action/Updates Please note, actions do not necessarily need to be COMPLETED. They can be continued or extended as this process evolves. Any new barriers to the action should be identified and steps taken to address these barriers.
Here is a possible example: XYZ needs an alternative route into school. Have a named staff member to be there to meet them at the main gate to the playground and walk with them to registration.	To make XYZ feel more comfortable coming into school. To enable a fresh, positive start to each school day. To make the time before school more manageable for parent.	XYZ will be comfortable coming into school and will be on time. Child will have a positive and calm start to the school day.	Monday. For the 4 weeks until next review.	Named staff member and child. Parent to reinforce.	(4 weeks after)	This was working well for XYZ, for the first two weeks. However, XYZ was pushed over by another pupil on the way into the playground, giving XYZ a negative experience of this strategy. We have now put in place for XYZ to be met at the main Reception door instead to decrease anxiety and allow XYZ to come straight from home to meet their trusted adult at the door. They walk to Registration together.

If I am concerned about my aspect of the delivery of the plan, I will contact school. My key contact is: _____ (contact name / email or telephone number).

Method of communication preferred by parent(s) e.g. Post/email/phone _____

Parent(s) will be given a copy of these notes following the meeting. A copy of these notes will be sent to other agencies involved with this child as necessary.

The Attendance will be reviewed in ____ school weeks from the date of this meeting.

Date of review: _____

Where will this review take place? E.g. at a TAF meeting, Child In Need meeting, online, in person at school, etc.

Place of review: _____

Reasons an Attendance Contract may Cease

- If an attendance contract is not proving successful or beneficial, it will be reviewed and may potentially cease.
- If a parent does not consistently engage with the Attendance Contract process, there is a risk that the Attendance Contract may cease. A warning will be provided before this occurs.
- Parent may request for the Attendance Contract to cease at any time.

Please note that prior to the Attendance Contract ceasing, a warning letter will be sent to the parent(s) confirming the end date and the reason for the Attendance Contract ceasing.

Whilst the aim of this contract is to provide support, if there is a lack of engagement, disguised compliance (parents are agreeing to the contract actions but failing to actually take action to improve the situation) or unauthorised absences continue, then the school may refer to the Local Authority for enforcement action to be considered.

The Local Authority could issue a Penalty Notice Fine or initiate legal proceedings through the Magistrates court for failing to ensure regular school attendance of your child under Section 444 Education Act 1996. This may result in a fine of up to £2500 and/or 3 months in prison.

Re: School Attendance Letter

Dear Parents/Carers of xxx

Attendance _____%

Good attendance is essential in order to raise standards of pupil attainment and to give every child the best educational experience possible. We are really pleased that our average attendance over the past term is _____. This is much higher attendance than the national average for primary schools, so thank you for your ongoing support with this.

However, we have several children whose attendance is a cause for concern.

Children who have low attendance often fall behind their peers academically. Research shows that they can struggle to catch up and most of the work they miss is never made up, leading to big gaps in their learning.

Poor attendance often starts at primary school and children who fall into this pattern are statistically likely to underachieve at secondary school. Pupils whose attendance is between 80% and 90% stand only a 35% chance of five good GCSEs, compared to 73% whose attendance is above 95%.

We recognise that there may be periods of time where a child's attendance falls below the 'Good' threshold due to illness and the staff at St Thomas More work closely with families whose children have serious or prolonged bouts of illness. However, parents often underestimate the amount of days their children have not attended school. For this reason, we are sending this letter to you.

St Thomas More falls under the Essex guidance for attendance. Please look at their attendance descriptor below.

We recognise that on some occasions we have asked parents to collect their child from school as they are unwell. We also understand that children need to stay away from school for 48 hours after they have been sick.

However, we believe that attendance can improve for some children by:

- Not taking term time holidays – whether it's one day or a week.
- Not staying off school as precaution (We will contact you if they are ill).

Thank you again for your dedication and commitment to your child's education. If you would like support to help improve your child's attendance, please arrange an appointment through the school office.

Descriptor	Excellent	Good	Cause for concern	Unsatisfactory	Serious cause for concern	Critical
